- (1) VRT Bands and rate of Annual Road Tax are valid as of 1st January 2022 and calculated from the base model WLTP values for model year 2026 cars produced from CW14/2026 onwards. All vehicles with TBC are subject to EU type approval and with that were not available at time of going to print.
- (2) The specified fuel consumption and emission values are the official figures obtained from tests under standardised EU test conditions in accordance with the Worldwide Harmonized Light Vehicles Test Procedure (WLTP). The above values reflect the standard vehicle excluding additional equipment such as optional extras and accessories which may have an effect on the fuel consumption (l/100km) and CO₂ emissions produced. WLTP range values for standard vehicles may vary depending on equipment. In practice, the actual range varies depending on driving style, speed, use of convenience/ auxiliary equipment, outside temperature, number of passengers/additional load, and topography. To discover exact values please configure your desired vehicle at volkswagen.ie/build. You can discover more about the WLTP at volkswagen.ie/wltp.
- (3) All prices (Retail, Delivery & ROTR) are recommended by Volkswagen Ireland. €2,040 includes optional Service Plan which can be removed upon request. Maximum delivery charge with Service Plan removed is €1,125. *Recommended On the Road Price. The new Service Plan is applicable to 261 registrations only.
- Importantly note that the rate at which your vehicle pays Vehicle Registration Tax may increase as a result of your vehicle configuration. For more information, please consult your local Authorised Volkswagen retailer.
 - In accordance with (EU) 2020/740 ("Tire Labeling Regulation"), please visit volkswagen.ie configurator for details relating to the tyres applicable to said vehicles.
 - Please note every effort has been made to ensure the contents of this publication (including RRP, CO₂, fuel consumption and technical information) were accurate and up-to-date upon publishing on May 20th 2026. Volkswagen Ireland reserves the right to change specification, prices and withdraw products from sale without notice. Any such alternations will be notified to Volkswagen Retailers at the earliest opportunity. Please consult your local Authorised Volkswagen retailer for the latest product information.
